

##What is "Kadhal Desam" In Tamil, Kadhal Desam is a phrase that refers to a romantic journey full of happiness, love and laughter. In other words, it's the perfect way to live. It follows the lives of three couples who find love after being disappointed in their past relationships. The film starts with the introduction of Venkatachalapathy (Srikanth) and Saranya (Chandini), who have been married for six years but are going through a bad patch due to Venkatachalapathy's mother's interference. Saranya then meets Bharath (Srikanth) at a restaurant. Bharath mistakes Sartha for his friend's sister, who was supposed to meet him there, and ends up flirting with her. He makes the same mistake again at another meeting between the two. The next day, he realises that it was Saranya who was waiting for him the first time and goes to her house to apologise. Saranya gets jealous when she sees Venkatachalapathy with his ex-girlfriend Indhu (Meena). She realises that Venkatachalapathy is not faithful to her and goes back to Bharath. Bharath quarrels with her when he learns that she has a husband. When she makes it clear that she likes him, he is overcome with happiness and they stay together. While they are having an argument at home, Saranya's friend (Mumalsh Khan) calls Bharath for an impromptu dance challenge. Saranya mishears the conversation and believes that Bharath has an illegitimate relationship with his co-worker (Mumalsh). Saranya goes to meet Bharath's co-worker; the woman mistakes Saranya for his wife and explains to him that she is a divorcee and doesn't want a new relationship. Saranya is convinced that Bharath is not cheating on her. When she finally does meet Bharath's co-worker, she discovers that the woman was lying because she did not want Saranya to marry her brother, who was in love with her. Saranya apologises to Bharath. She also reconciles with Venkatachalapathy after he realises his mistake and apologises to Saranya. The last part of the film revolves around Venkatachalapathy being forced by his mother to marry another woman, who is very good-looking but arrogant. It turns out that this woman was married to one of Venkatachalapathy's colleagues, who left her for another woman. By then, though, the woman (Kavitha) and Venkatachalapathy's mother have already spent all of his money and were planning on getting married. Venkatachalapathy is married to Saranya by the end of the film. ##Director: Director Sekhar Kammula comes from a background as an assistant director on successful films such as Deiva Thirumagal and Kasthuri Raja. He made his debut as a director with Sekhar Kammula Production's Grades in 2008. His 2008 film "Moodu Pani" was a major commercial success and won a National Film Award for Best Feature Film in Tamil.
